By my signature below, I consent to the administration of the vaccine(s) by a pharmacist or a supervised student pharmacist or technician, where permitted by law or state/ federal guidance, employed by Contoso Companies or one of its affiliated pharmacies and to be contacted at the number provided above regarding other immunizations for which I am due or eligible to receive. I also release Contoso Companies and its subsidiaries, affiliates, officers, directors, employees, and agents from all liability, including acts of omission or commission, resulting or arising from my receipt of this vaccination. I understand that: 1) I have voluntarily chosen to receive the vaccination and understand that I am obligated to pay for all products and services received, if applicable. 2) I may be responsible for payment after the date of service if the product or service is billed to my medical benefit. 3) I am of legal age and authorized to execute this consent form or I am the parent/guardian of the minor patient. 4) I will immediately alert the pharmacist of any medical conditions which may adversely affect my personal health or effectiveness of the vaccine. 5) I have been counseled about potential side effects after vaccination, when they may occur, and when and where I should seek treatment. I am responsible for following up with my physician at my expense if I experience any side effects. 6) I should remain in the area for 15 minutes after the vaccination for observation. 7) I have read, or have had read to me, the Vaccine Information Statement(s) ("VIS") or Emergency Use Authorization ("EUA") provided for the vaccine(s) to be administered. I have had the opportunity to ask questions, and all my questions have been answered to my satisfaction. I understand the benefits and risks of the vaccine(s). 8) I have been offered and/or provided a copy of the company's Notice of Privacy Practices in compliance with the Health Insurance Portability and Accountability Act (HIPAA). 9) This vaccination, including any vaccination granted additional privacy protections under state or federal law, is subject to reporting by my pharmacy or its business associate to an immunization registry, which may share my immunization data with others, and to my primary care physician, the authorizing physician, or the local Department of Health, if applicable, and I authorize these disclosures.
